**AWARDS:** A poll was taken of active Bullseye shooters and the consensus was that awards didn't matter – match conditions were more important. Also, entry fees were getting rather high for those who came into matches regularly. So, rather than giving awards, we reduced the entry fees. A match bulletin will be posted on web sites after each match listing scores and acknowledging aggregate class and match winners. As this is an approved match, results will be sent to the N.R.A. and will count towards classifications.

**MISCELLANEOUS:** Cold pop will be sold all day. Oakdale facilities and water will be available. The range has 30 covered firing points with stationary targets at 50 yards and turning targets at 25 yards. The range will not be available for sighting-in or practices. Fast food and full service restaurants are within a 10-minute drive. Usually, one hour will be allowed for lunch.
