All shooters entered into this event **MUST** have a confirmed 600 yard zero in order to shoot in any of the seven matches. For safety purposes, any shooter failing to hit the target with his or her first shot will be asked to pick up their gun and gear and will forfeit their entry in the tournament.

All F-Open and F-TR guns used in this two day tournament will be weighed in during the registration period before the first day of shooting starts. F-Open guns must weigh 22 lbs. or less, and F-TR guns must weigh 18 lbs. 2 oz. or less, or they will not be allowed to be used in this tournament. Once your gun is weighed in, you will have a weight verification sticker placed your gun. The same gun must be used for all the matches both days.

All matches will be slow-fire, prone, one round loads at the 600 yard line. Registration starts at 7:30am and closes promptly at 8:30am. Anyone coming in after 8:30am will not be allowed to enter the event. The gate to the pit closes at 8:45am. Before the shooters put their first Sighter shot of the day down range, there will be a one minute Blow-Off Period for everyone's first match on both days. The first relay will fire their first shot at 9:00am.

There will not be any individual match winners in this tournament. There will be 1st, 2nd, and 3rd place overall winners for the two day tournament in both F-Open and F-TR classes. There will also be a 1st place traveling trophy in both F-Open and F-TR classes. We will be awarding wood plaques for 1st, 2nd, and 3rd places to both the F-Open and F-TR class winners. If we get at least 35 shooters, we will be awarding \$50.00 for the 1st place overall winner in each shooting classification (Marksman, Sharpshooter, Expert, Master and High Master) and \$25.00 for the 2nd place overall winner in each shooting classification. There must be five shooters in each classification in order to pay out 1st and 2nd places. If you place in the overall top three in either F-Open or F-TR, you will not be eligible to win the 1st or 2nd place prize money in the individual shooting classification awards.

The entry fee for the two day tournament is \$50.00. Approximately 60% of the tournaments entry fees will be used to pay out for 1st, 2nd, and 3rd places in each class, prize money paid out to the shooting classification winners, and the cost of the wood award plaques. If we have a full tournament of 80 F-Class shooters, the prize money payout will be as follows:

All shooters will be required to score and pull targets. If you are unable to perform either scoring or pulling targets, you can designate someone to do it for you.

To keep everything fair, your target and relay number will be randomly determined as you register or sign in for this event. This way no one can claim that someone had an advantage or disadvantage by having a certain relay throughout the day. Your relay number will be given to you during the sign in at the Clubhouse. You will be asked to line up behind your firing line number to make sure we have the proper number of shooters at each firing point. Relays will be different for the second day of shooting.

To keep the Pit Changes safe on the road, please wait until the last person from the pits comes through the gate at the 600 yard line. The last vehicle coming out of the pit should turn on his or her headlights and flash them off to let the next group know you are the last vehicle coming out, so they can proceed to the pits without oncoming traffic.

Because of the number of matches each day, and the number of targets available at the club, we are limiting the total number of entries to four relays with 20 shooters in each relay. The total number of entries allowed in this tournament will be 80 shooters. It is highly recommended that you pre-register for this event. Because of the large dollar amount paid out in prizes, we anticipate this tournament to fill up fast. Only those who pre-register and pay the \$50.00 entry fee will be guaranteed a shooting position in the tournament. Please fill out the following Early Entry Form and send the form with your \$50.00 entry fee in the form of a check made out to ERSC, and send it to:

After the shooting has ended Sunday and we add up the scores, we will be presenting the awards and prize money. When you arrive Saturday morning to sign in, we will be giving you a drawing ticket that will be used during the award ceremony. Please remember to bring it back on Sunday. We will be having random drawings for other prizes given by outside vendors and sponsors, so all shooters will have a chance to win something. If you are interested in donating a prize for the drawings, please contact Rick Sievers at the e-mail address above.

We look forward to seeing you at the 6th Annual Elk River Sportsman's Club, F-Class Midwest Championship. Let's make it the best F-Class tournament out there.
